- Machinery
- Auxiliary equipment
- Moulds and accessories
- Raw materials, regenerated materials and composites
- Semi-finished and end-products
- Specialized press
- Services and related sectors, all regarding the plastics and rubber industry

#newlifetoplastic

INTERNATIONAL CONFERENCE

*GREENPLAST 2025 will once again host an international conference, this year titled “**Shaping a Sustainable Future for Plastics**”.*

The event will be organised by AMI, a recognised leader in consultancy for the plastics industry, in collaboration with Promaplast, the event organiser.

The conference will take place over four days, from the afternoon of 27th May to the morning of 30th May. This partnership will ensure a programme featuring high-level technical sessions and content, designed to address the challenges faced by the plastics industry with an innovative and forward-thinking approach.
